Why don't the three of us have a call to discuss what our response would include, then we can figure out the best way to reply.

I think we should all meet first, before we determine how to proceed with a response.

Michael –

Tanya thinks this can be resolved with a phone call. I'll email Ricci stating that we think a phone call between the parties is all that is needed to resolve the Group's concerns.

Can you guys give me dates and times that are good for you. I'll contact Ricci then.
